Shinto in History

The Shinto ritual, kamigamigaeshi, lets kamisama rest in a shrine maiden’s hair and heals them. One day, an imprisoned shrine maiden, Mashiro meets Hinokagu, the kami of fire who has been sealed in her hair and helps Mashiro escape to the outside world. Mashiro starts going to school but pursuers from the Kamitsuka family attack her. Then, a Black Shrine Maiden appears and declares that she will make all the kamisama in Mashiro’s hair hers! An unexpected turn of events awaits in volume 3 of this super kamigami fantasy!!

The Kami No Sekai Short Story Omnibus

Ash is a young boy with apparent past-life memories who lives in a remote, deserted village. As he remembers leading a bountiful life, he can’t bear living in a world akin to the Dark Ages, where not even the internal combustion engine exists. Ash envisions the rebirth of a civilization where housing with proper sanitation is the norm and the world is connected via a means of transportation faster than horses. For that reason, he is eager to consult books containing knowledge from a highly-developed ancient culture that is rumored to have existed far in the past. Ash makes use of the church’s resources, learning how to read and obtaining the knowledge that he seeks. In addition, he enlists the help of the people around him, including Maika, the village chief’s daughter. Together, they aim to develop their own village. This is only the beginning of the story about a young boy who sets out to...
revolutionize the world in order to rebuild civilization and create his ideal life!

This is the only book to date offering a critical overview of Shinto from early times to the modern era, and evaluating Shinto's place in Japanese religious culture. In recent years, a few books on medieval Shinto have appeared, but none has attempted to depict the broader picture, to examine critically Shinto's origins and its subsequent development through the medieval, pre-modern and modern periods. The essays in this book address such key topics as Shinto and Daoism in early Japan, Shinto and the natural environment, Shinto and state ritual in early Japan, Shinto and Buddhism in medieval Japan, and Shinto and the state in the modern period. All of the essays highlight the dynamic nature of Shinto and shrine history by focusing on the three-way relationship, often fraught, between local shrine cults, Shinto agendas and Buddhism.

Fushi no Kami: Rebuilding Civilization Starts With a Village Volume 4

The world is a fine tapestry, ever worked and ever evolving upon a loom. The worlds of the visible and invisible mesh, and sometimes the unseen is glimpsed between the red posts of the torii. The Kami ever call for their Miko, and they are both within us all. The flower of a poem opens her petals to the sun, amidst a garden of other poems.

A Historical Study of the Religious Development of Shintō

Emerging Persian-born figurative painter Y.Z. Kami's canvases feature flat, matte portraits resembling Byzantine frescos or Egyptian Fayum portraits. Included here are such works from the past decade, along with abstracted collages, made from poetry and prayer texts, inspired by the whirling motions of Sufi dervishes.

A Concise Dictionary of the Principal Roads, Chief Towns and Villages of Japan, with Population, Post Offices, Etc

Ash, who is studying in Itsutsu city to revive the convenient and plentiful life from the legends of the ancient civilization, managed to successfully produce compost and reintroduce tomatoes as an officially accepted edible food. After recovering from his fight with the werewolf, he once again aims to further improve the living standards of the city! Amidst all that, his fellow student Hermes is mocked for crafting a model airplane and daring to dream of soaring through the skies. In a world without the internal combustion engine, let alone cars, such ambitions only provoke laughter amongst his classmates, but Hermes persists. Deeply impressed by Hermes' passion for flying, and slightly motivated by self-interest, Ash decides to help him revive aeronautical technology. He is determined to have the last laugh. This is the third chapter of the story about a young boy who sets out to revolutionize the world in order to rebuild civilization and create his ideal life!

A masterful study of Japan's most important religion, this volume presents a comprehensive history of Shinto thought. The author begins with a general overview of Shinto as an advanced naturalistic religion and then devotes separate in-depth chapters to the pure polytheistic manifestation of Shinto, to theanthropic tendencies in Shinto, and to Shinto as the national religion of Japan. The final chapter is a detailed outline of Shinto rites that includes information about the rites themselves, offerings at rites and ceremonies, the origin of Shinto shrines, the Shinto priesthood, external purity and the concept of sin, offerings as compensation and exorcism, and divination and spell, oath, and ordeal in Shintoism.

How did Fox Mulder become a believer? The X-Files Origins has the answers in this young adult, science-fiction origin story from the #1 New York Times-bestselling co-author of Beautiful Creatures, Kami Garcia. Read this dark thriller to find out why millions of people became obsessed with The X-Files. In the spring of 1979, seventeen-year-old Fox Mulder has bigger problems than applying for college. Five years ago, his younger sister disappeared from their home and was never heard from again. Mulder blames himself, and his mother blames his father, who has retreated into his top-secret work for the State Department. In Fox’s senior year, his dad has moved him to Washington, DC—away from his friends on Martha’s Vineyard. While Mulder doesn’t mind the fresh start and not being known as “that kid with the missing sister,” he’s still obsessed with finding Samantha. So when a local boy turns up dead and another child is abducted, Mulder can’t stop himself from getting involved. Could there be a link to his sister’s case? As he uncovers the truth, Mulder and his friends find themselves on the trail of a serial killer. Sucked into a world where conspiracies, the occult, and madness overlap, Fox Mulder starts to believe.

After spending two years studying in Itsutsu city to bring back the life of convenience and abundance from the legends of the ancient civilization, Ash graduates from the military academy. He is now assigned to the newly established Territory Reform Promotion Office, where he works hard to improve this world’s living standards. When it is brought to Ash’s attention that Ajole, the hometown of his co-worker Renge’s childhood friend, is on the verge of extinction, he decides to embark on a rescue mission. The inspection task force led by Ash and Maika encounters barren fields and skinny villagers. It appears that they have no choice but to break the taboo and use animal manure as compost. To make matters worse, there is news of another threat to the village: the demons known as treants! Can Ash find a way to save the village? This is the fourth chapter of the story about a young boy who sets out to revolutionize the world in order to rebuild civilization and create his ideal life!

Kami chōkoku

Bib-kami Na Ano

"An excellently rounded introduction by an eminent Shinto scholar."—Library Journal Shinto, the indigenous faith of the Japanese people, continues to fascinate and mystify both the casual visitor to Japan and the long-time resident. Relatively unknown among the religions of the world, Shinto: The Kami Way provides an enlightening window into this Japanese faith. In its general aspects, Shinto is more than a religious faith. It is an amalgam of attitudes, ideas, and ways of doing things that through two millennia and more have become an integral part of the way of the Japanese people. Shinto is both a personal faith in the kami—objects of worship in Shinto and an honorific for noble, sacred spirits—and a communal way of life according to the mind of the kami. This introduction unveils Shinto's spiritual characteristics and discusses the architecture and function of Shinto shrines. Further examination of Shinto's lively festivals, worship, music, and sacred regalia illustrates Shinto's influence on all levels of Japanese life. Fifteen photographs, numerous drawings and Dr. Ono's text introduce the reader to two millennia of indigenous Japanese belief in the kami and in communal life. Chapters include: The Kami Way Shrines Worship and Festivals Political and Social Characteristics Some Spiritual Characteristics

Fushi no Kami: Rebuilding Civilization Starts With a Village Volume 3

Aided by his past-life memories, Ash went through strenuous efforts at his village to recreate the convenient and bountiful life recorded in the legends of the ancient civilization in this world. As a result, he obtained the right to study alongside Maika in
Itutsu city, where a vast collection of unseen books awaits him. At his arrival, Ash is welcomed by the acting count Itsuki, as well as a girl disguised as the former’s younger brother, Arthur. But more importantly, he is faced with the disappointing reality of the city’s lacking resources and outdated technology. Ash enlists Maika and Arthur to change that reality. They start by trying to figure out a way to use some supposedly poisonous crops and repurpose the dangerous compost. Meanwhile, the “demons” responsible for the decline of humanity are lurking in the shadows. This is the second chapter of the story about a young boy who sets out to revolutionize the world in order to rebuild civilization and create his ideal life!

**Fushi no Kami: Rebuilding Civilization Starts With a Village Volume 1**

Heard brings Buddhist philosophy to life in this epic tale of a sentient being’s journey through seven incarnations. The Evolution of Kami’s Soul is a brilliant novel, complicated as a three-tiered chess game yet simple as an Eric Satie tune. An allegorical depiction of the dance between animus and anima, this novel startles like Amos Tutola’s My Life in the Bush of Ghosts. If Tutola has dinner with Mahatma Gandhi and Karl Gustav Jung in the afterlife, they will undoubtedly discuss Heard’s book.

Dari Kami Ke Kita is a new national Indonesian series of sequenced and cumulative resources designed to form the basis of a Years 7-10 teaching program. Currently, middle years Indonesian classrooms are not well served with stimulating material and resources, which recognise the cognitive stage of development of their learners. This series aims to provide students who have beginning levels of proficiency with an engaging and challenging way into language learning. It’s modern and introduces Indonesian in a fast-paced, dynamic way. The TRPs offers easy and quick hints on how to use the different resources in within the SB, the WB and the CD-ROM. The teacher's book offers the shrunk version of the student book with easy hints on how to introduce topics, hints on how to best address language points and other quick and easy suggestions for easy teaching while in class. The teacher's CD-ROM offers the student's workbook with overprinted solutions, unit tests for each chapter (covering the main strands) and additional Blackline Masters with more consolidating tasks and games.

**Japan**
This volume offers a multidisciplinary approach to the combinatory tradition that dominated premodern and early modern Japanese religion, known as honji suijaku (originals and their traces). It questions received, simplified accounts of the interactions between Shinto and Japanese Buddhism, and presents a more dynamic and variegated religious world, one in which the deities' Buddhist originals and local traces did not constitute one-to-one associations, but complex combinations of multiple deities based on semiotic operations, doctrines, myths, and legends. The book's essays, all based on specific case studies, discuss the honji suijaku paradigm from a number of different perspectives, always integrating historical and doctrinal analysis with interpretive insights.
